MEMORANDUM FOR

THE SECRETARY OF DEFENSE
 THE SECRETARY OF COMMERCE
 THE DIRECTOR OF CENTRAL INTELLIGENCE
 THE DIRECTOR, FEDERAL EMERGENCY
 MANAGEMENT AGENCY

SUBJECT: Support of NSC/PDs (U)

In the process of preparing for your FY 1983-87 submissions, I requested that you give particular attention and emphasis to programs that enhance command, control, and communications and intelligence support for some of the principal Presidential Directives. Of particular interests are NSC/PD's 24, 37, 53, 58, and 59. (C)

In the development of the submissions, I request that you (1) aggregate and enumerate the programs that support these Presidential Directives together as a separate item; (2) relate how the programs support each Presidential Directive and any inter-agency efforts that are on-going or planned; (3) identify areas where additional effort is needed either internal to your department or agency or as an interagency activity which is required in order to give better definition to activities that must be performed by your department or agency. (C)

In order that this information be used in preparation for programming decisions, I request that you provide a special report to the Assistant to the President for National Security Affairs by May 1, 1981. (U)
